Description:

Drifting from relationship to relationship in his work as a killer for hire, Gideon interacts with a range of con artists, prostitutes, and broken-hearted clients while passing time with three very different women, each of whom wishes to capture his heart. By the author of Chasing Destiny. 150,000 first printing.

Hard to believe that a man with so much depth came from the creative mind of another. But that is usually how most masterpieces are created. Dickey makes foreplay with his words, even the parts that are not dancing with erotica. He sucks his readers in with vivid details. I felt like I was physically present, witnessing firsthand this alluring world. Somehow Gideon seems more real than Dickey's past characters. With a troubled past he can't forget, an undetermined future hanging in the present- you can tell that Gideon's story is going to be a special one.
